

Submitted report:

- Time of Incident: 12/27/2025 15:28:54.164
- User Involved: michael.ascot@tryhatme.com
- Device: Email system (inbound email)
- Incident Details: At 12/27/2025 15:28:54.164, an inbound email with subject "FINAL NOTICE: Overdue Payment - Account Suspension Imminent" was received from john@hatmakereurope.xyz. The email contained a ZIP attachment named ImportantInvoice-February.zip and used urgent language to pressure the recipient into opening the attachment and making a payment.
- Malware Identified: Suspicious attachment present. Malware not yet confirmed.
- Additional Investigation: Based on the SIEM logs, the following details:
 - The email has an attached file. The file name contains a misspelling and is of the zip file type.
 - The file was neither downloaded nor opened.
 - The recipient's Role is CEO
- Recommendations: Escalate to Level 2 (L2) for further investigation and handling.
